

BROOKLYN TAKES THIRD GAME OF WORLD SERIES

PASSED "DOUGH" TO BALL PLAYERS, IT IS ALLEGED

Abe Attell.

Abe Attell, former featherweight champion, is accused of being the "go-between—the man who arranged for the \$100,000 to be paid the White Sox players indicted for throwing the 1919 world's series. The players state, however, that they never received all of the money promised them. Attell, as a result of the expose, threatens to bring others into the limelight in connection with the expose. He denies the part charged to him.

GROWTH OF OHIO BEATS RECORD

Pennsylvania Makes Greatest Numerical Growth Of Any State

Michigan Increases Population By 30.5 Per Cent.

(By Associated Press)
Washington, October 7.—Populations of seven states were announced this morning by the census bureau and at 4:00 p. m. the population of the entire country together with the population of the two remaining states, Minnesota and Nebraska, will be made public.

Of the seven states the population of which were announced this morning, Pennsylvania has the largest numerical growth. Its total population is 8,729,159, an increase of 1,655,048, or 13.8 per cent and it thus remains the second most populous state. It showed its second largest growth on record and also made the second greatest growth of any state in the 1920 census. Its relative increase, however, was the lowest in its history.

Ohio, fourth among the states, has a population of 5,759,368. It made the largest numerical increase in its history, adding 992,247 or 20.8 per cent more people to its population of 1910 and retains its present rank.

Michigan with a population of 3,667,222 increased 857,049, or 30.5 per cent, almost doubling its previous record made in the decade ended with 1890. The state passed Missouri, which was seventh.

Iowa's population was announced as 2,403,630, an increase of 178,859.

Sherry Smith's Slants Hold Cleveland Indians To Three Hits in Two to One Game

Indians Scalped in Third Game Of The Big Classic.

Players Leave Tonight For Cleveland For Next Four Battles.

(By Associated Press)

Ebbets Field, Brooklyn, October 7.—Sherry Smith's southpaw slants were poison to the Cleveland Indians today and the Brooklyn Dodgers made off with the third game of the world series by a score of 2 to 1.

The attached official box score tells in figures how Smith scalped the Indians.

WEATHER IDEAL CROWD LARGE INTEREST KEEN

(By Associated Press)
Ebbets Field, October 7.—Another reel of the autumnal series thriller entitled "Taking the Third Game," was thrown this afternoon on the baseball screen with the winners of National and American Leagues—Brooklyn and Cleveland—in the leading roles.

Some 20,000 or more fans saw the Brooklyn Dodgers and Cleveland Indians come to grips to take the old game on the Brooklyn ball lot before taking the trail westward tonight to engage in a four-play affair on the Indians' reservation in Cleveland.

Each club having knocked a victory the rival managers, Robinson of Brooklyn, and Speaker of Cleveland, realized the tactical advantage of capturing the third contest today.

With a four-game series on foreign soil confronting him battling before unfriendly thousands, Manager Robinson wanted to go west tonight with a one game lead for his cohorts.

"I've got Sherry Smith and Jeff Pfeffer ready for the game," said Manager Robinson. "It depends on how they warm up which will take the mound. The boys have started to hit, we have looked over the best pitching I believe the Cleveland's can show and I feel sure that we can win the series."

The Indians with their two best bats, Coveleski and Bagby out of the running for the time being had "Duster" Mails pined for polishing off the Dodgers. Mails was a Brooklyn rookie some years ago. The home folks remembered him as the portside flinger with a wicked curve but short on control as a midnight joy rider.

Some weeks ago Cleveland got him from the Pacific coast and he practically pitched the Indians to the pennant.

The Brooklyn club, one and all, hope that the Duster would be trotted out to make a Roman holiday for them. The Dodgers say they can beat him.

"If Mails gets his fast ball working," said Tris Speaker today, "the Brooklyn will have the time of their lives getting to him. Mails is ready to pitch when I call him."

The Brooklyn victory yesterday put the spurs to local enthusiasm and a large crowd came early to the ball park. The first in line came before sunup. The weather was warmer too.

Plenty of Time Says New York Official

(By Associated Press)
New York, October 7.—The inquiry being conducted here into local phases of the world series gambling scandal of last year has come to a standstill, Assistant District Attorney James E. Smith admitted today.

He said his detectives failed to locate three alleged gamblers in a three-day hunt through the city. There was, he declared, however, "plenty of time."

SAYS WILSON PLEDGED AID MAY 31 1919

Reed Asserts Wilson Promised Military Force At Peace Conference.

(By Associated Press)
Kansas City, Mo., October 6.—Senator James A. Reed in a telegram late today to United States Senator Spencer asserted that President Wilson had made a statement pledging American military aid to Rumania and Serbia in an address at the peace conference May 31, 1919.

The text of the address did not pass censor until December 1919, when it was brought to this country by a newspaper correspondent and published in the Washington Star on that date.

The speech also appeared in full in the Congressional record on December 4, 1919, the telegram added.

SAYS AMERICAN FORCES ARE OUT OF THEIR PLACE

(By Associated Press)
Des Moines, Iowa, October 7.—American troops have no business in Germany, Senator Warren G. Harding declared here today in response to a question from his audience referring to a list of questions on the league of nations submitted by the Iowa Democratic State Committee.

Senator Harding said he did not want to be in the attitude of a nominee answering questions when the party platform had stated the party's principles. "But I want to say to you my Democratic friends," he said "that before they question me, let them consider themselves to the welfare of the United States and not that of the old world."

Dayton, O., October 7.—Investigation by the Senate sub-committee which is inquiring into campaign expenditures of an alleged \$5,000 contribution to the 1914 campaign fund of Governor James M. Cox, was scheduled to begin here today.

Senator Pomerene, Democrat, of Ohio, and Senator Edge, Republican, New Jersey, are to conduct the hearing.

22,559 PAY TO SEE THE SECOND GAME OF SERIES

(By Associated Press)
New York, October 6.—The attendance at the second game of the world series did not quite equal the standard set in the opening game. The official figures announced by the national commission showed the paid attendance was 22,559; the receipts were \$76,164. This makes the total receipts for the two days \$155,213.

The division of this money for the two days, ten percent to national commission \$15,521.30; 60 percent of the balance to the players pool \$83,815.02 Remainder to clubs, 55,876.68.

BLAST ABOARD TANKER AT DOCK

Explosion At Brooklyn Docks Kills Many Aboard British Tanker Thursday Afternoon

(By Associated Press)
New York, October 7.—An explosion occurred shortly after 2 o'clock on a tank steamer tied up in a shipyard at the foot of 27th street, in Brooklyn. Approximately 100 persons were reported to have been aboard when the explosion occurred.

The name of the tanker on which the explosion occurred was reported by employees of the yard to be the Crowe, owned by the Montezuma Transportation Co., of Toronto, Canada, which recently put into drydock for repairs.

Fire apparatus raced to the scene when it was reported five other steamers in the yard had been endangered by the explosion.

A report sent to the officers of the United States Shipping Board, in Manhattan stated 40 men were aboard the vessel when the flash came.

At 2:30, twenty minutes after the explosion, it could not be learned how many had been killed but calls for ambulances were sent to all hospitals in Brooklyn and police reserves were called out.

Red Cross headquarters in Manhattan on learning of the explosion immediately rushed preparations for sending doctors, nurses and other help to Brooklyn for first aid service.

An hour after the explosion four bodies had been recovered.

A hasty checkup of workers showed four more missing. The number of injured was placed at between twenty and thirty.

MANY TRAPPED

Because of intense confusion in the yards it was difficult to obtain accurate information even an hour after the blast. It was believed, however, that a score of workmen had been trapped in the hold.

An employee of the drydock company said he had seen at least six bodies taken from the hold of the Crowe.

The blast blew a great hole in the starboard side of the ship. At one porthole appeared a workman trapped below. He pleaded with his fellow workers ashore to rescue him. A hose was turned on him while workers raised a cry of "Ladders. Ladders. For God's sake ladders."

When ladders were brought rescuers worked desperately. Firemen in gas masks descended into the smoke-filled hold. Bodies were hauled up with ropes and the injured rushed to hospitals.

Is Opposed to League of Nations With Any Reservations Offered He Declares

Wants League Rejected in Its Entirety He Says At Des Moines

Favors "Concert of Nations To Promote International Peace."

(By Associated Press)

Des Moines, Iowa, October 7.—A direct issue of ratifying or rejecting the league of nations was accepted by Senator Harding in a speech here today, brushing aside the problem of clarifying reservations and declaring he opposed the covenant written at Versailles.

The candidate said he wanted no acceptance of the league with reservations to clarify American obligations but that the proper course would be to reject these commitments altogether.

"I do not want to clarify those obligations; I want to turn my back on them. It is not interpretation but rejection that I am seeking," he said.

Governor Cox's definition of the issue was accepted in direct terms by the nominee who said Democratic stubbornness had prevented the Senate from perfecting the covenant and had made the question placed before the voter a very simple one.

He called on all of those favoring a supergovernment to "vote the Democratic ticket and pray God to protect you against the consequences of your folly."

The Senator also restated his program of a world association based on principles in harmony with the constitution and renewed his pledge to initiate the formation of such a concert immediately after his election.

"The issue which our opponents are endeavoring to bring is singularly simple and direct. That issue as made by the Democratic President and the Democratic platform and the Democratic candidate does not present to the American people the question whether they shall favor some form of association among the nations for the purpose of preserving international peace, but whether they favor the particular league proposed by President Wilson.

"As soon as possible after my election I shall advise with the best minds in the United States and especially I shall consult in advance with whom by the terms of the constitution I shall indeed be bound to counsel, and without whose help no such national association can be formed.

"I shall do this to the end we shall have an association of nations for the promotion of international peace but one which shall justly safeguard our sovereignty and recognize our ultimate and unimpaired freedom of action."

FAYETTE COUNTY FIRST IN STATE TO RECEIVE AID UNDER NEW PLAN

State Veterinarian Burnett and State Secretary of Agriculture Shaw Launch Shipping Plan.

Swine Will Be Inoculated Here After Arrival from Out Side State.

Through an arrangement made Wednesday evening with State Veterinarian Theodore A. Burnett and State Secretary of Agriculture N. E. Shaw, the Fayette Farm Bureau was granted permission to ship stock hogs from outside the state into this county and inoculate against cholera after their arrival instead of before entering the state.

Fayette is the first county in the state to receive permission to carry on shipping in this manner and it is understood that it is more in the nature of an experiment to be carried out by the State Department of Agriculture which, if successful, will be later extended to other counties desiring it.

State Veterinarian Burnett promised the Farm Bureau that one of his assistants will be sent to the local offices within the next few days who will be on duty for sixty days to carry out the regulations under which the experiment is to be tried and to supervise all shipping.

Instead of inoculating at the main shipping center before the swine enter Ohio such as Detroit from Michigan and Cincinnati from Kentucky, the inoculation will be performed by a local veterinarian after the hogs arrive in Fayette county.

It was pointed out by a member of the Fayette Farm Bureau following the recommendation of the plan to inoculate after the hogs arrive that many dollars would be saved annually to local swine men.

Stock hogs purchased in Michigan are inoculated in the Detroit yards and by the time the swine are on the trains the animals have a high fever which often terminates into pneumonia from exposure following a trip of from four to five days and many die.

It was declared by State Veterinarian Burnett that the organic system of the hog was affected to the same degree after inoculation for cholera as the human body after inoculation against some diseases and that expo-

sure was generally to be averted in each instance.

Shippers bringing stock hogs into this county without inoculation must first obtain permission of the Farm Bureau, is the rigid rule to which the shippers must adhere. Inoculation will then take place, performed by a local veterinarian.

State Secretary of Agriculture Shaw who is closely observing the experiment and the man through whose sanction the plan was agreed upon, accompanied the State Veterinarian and gave his approval to the Farm Bureau members.

At the conclusion of the meeting a vote of thanks was rendered to the State executives for the interest manifested in shipping conditions pertaining to Fayette farmers and for the recognition of Fayette county in attempting the more advanced plan through the local Farm Bureau.

The Farm Bureau feels highly complimented on the visit of the state men and for the personal interest displayed at Wednesday evening's meeting.

The State officials are aware that Fayette is the leading swine producing county in the state and that more stock hogs are fed here than in any other.

PYTHIAN SISTERS CONVENTION AT JEFFERSONVILLE

Lodges of Eleventh District Meet in Eighteenth Annual Convention.

Pythian Sisters of District Eleven met in their eighteenth annual convention at Jeffersonville Wednesday and were entertained by the Jeffersonville Lodge, White Hawthorne Temple No. 356.

Every lodge in the district was represented and the convention started at eleven o'clock Wednesday with informal reception of the delegates and visitors and continued during the afternoon and evening with the inter-mixed program of business and social activity, being brought to a close by the competitive team drill between the Washington Court House and Jeffersonville degree staffs in which White Hawthorne Temple won the beautiful loving cup.

At one o'clock Wednesday afternoon the convention was called to order by District Deputy Grand Chief Maude A. Routson, other officers being District Secretary Laura E. Martin and District Treasurer Helen Tudor.

Address of welcome to the almost two hundred and fifty delegates and visitors was made by Mrs. Elma Coll, on behalf of White Hawthorne Temple and response was made by Miss Emma Smith of the Washington Temple No. 350.

Music had been arranged as a feature of the program and vocal solos were given by Miss Martha Pfeiffer of Bloomingburg Temple No. 423, and Mrs. Treasa Kaufman, of Rose Forest Temple No. 176.

Business of importance was taken up at this session and reports from the various temples were received. Special lodge work also given.

The Jeffersonville Rebekah Lodge served a beautiful six o'clock dinner to more than two hundred and the banquet hour was one of the merriest. Skillful preparation on the part of the Rebekahs was the cause of compliment.

Mrs. Jean Todd Creamer and Mr. Fred James opened the evening session with a piano and violin duet and

this was followed by a vocal solo by Mr. Loren Wilson.

In the competitive drills given by the White Hawthorne Lodge of Jeffersonville and Washington Temple of this city the award of the loving cup was given to the Jeffersonville Order. The work of both degree teams was of high standard.

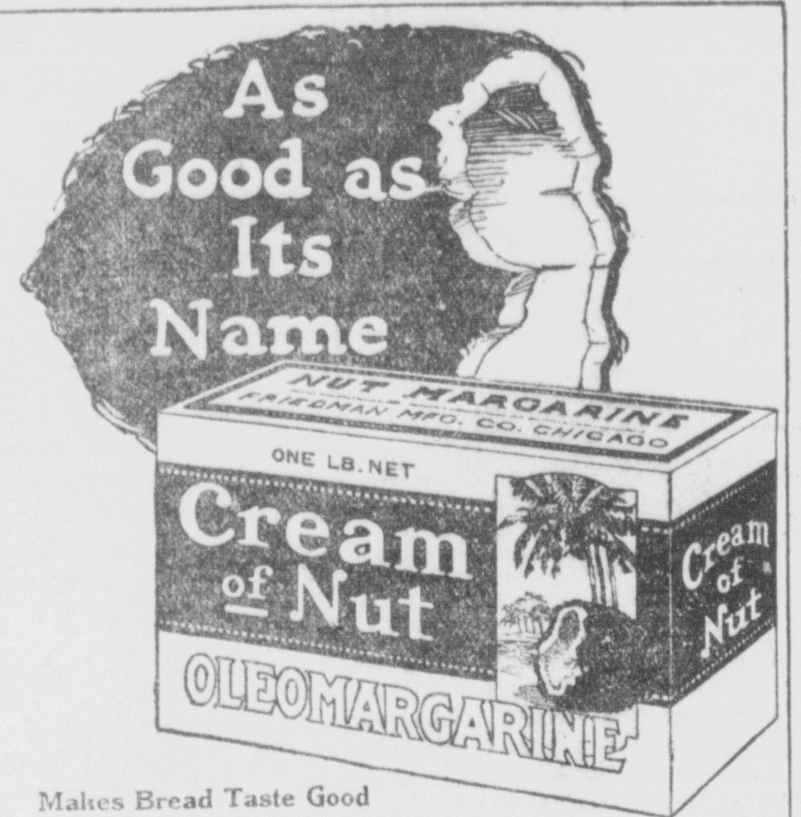

The following committee of White

Hawthorne Lodge contributed to the success of the convention:

Reception—Rose Reid, Altha Little, Etta Coll, Helen Hidy and Minnie Yeoman.

Program—Maude Eichelberger, Mae James, Flora Robbins, Myrtle Brock.

Registration—Ruth Whited, Mary Marshall.

INCREASE NOW PROMISED IN SHIPMENTS OF COAL TO OHIO

Priority to Lake Regions Still
In Force And Unmodified

Ohio to Receive 800 More Cars
Of Coal Each Day

Enough is Promised to Prevent
Acute Shortage

Washington, October 7.—Relief from a threatened coal shortage in northern Ohio, Indiana and Michigan was promised Wednesday by Daniel Willard chairman of the American Railway association and Colonel D. B. Wentz president of the National Coal Association. The promises were made to representatives of the Ohio Utility Commission and representatives of the Cleveland Chamber of Commerce who have been in Washington for several days.

A promise of 800 more cars of coal daily to towns and cities in Ohio was made. The order is to be sent out at once through the national officers.

After Long Conference
The order was secured after three days' conference between a number of prominent Ohio men and the national officers of railroads and mines. Traffic Commissioner F. H. Baer of the Cleveland Chamber of Commerce and C. A. Albright, head of the chamber's retail coal dealers' board said that Willard and Wentz had assured them that of the 800 additional car loads daily Cleveland's portion would be at least 140 and as much more as possible.

The manner in which the additional car supply is to be obtained for Ohio and the means of speeding up production so that the state will receive the promised additional fuel each day without interfering with lake shipments were not announced at the Washington conference, following which Mr. Baer, Mr. Albright and other Ohioans left for Cleveland.

COMMISSION WILL ACT
The railway executives and operators later appeared before the interstate commerce commission and formally asked it to issue new priority of service orders, designed to relieve fuel shortages in the above states. Early decisions by the commission is expected by the petitioners.

After surveying the coal needs of the three states, the operators and railroad managers agreed that the movement of 2000 cars a day to the states was necessary until next December 1, to meet emergencies in various cities. This coal, it was decided, should be taken from the Ohio, West Virginia, western Pennsylvania, eastern Kentucky, Indiana and Tennessee fields, with the railroads being required to give it priority of movement. The request for the order was made of the commission by Mr. Wentz and Mr. Daniel Willard.

NO CHANGE IN ORDER
No change in the commission's existing order giving priority service to the movement of 4000 cars of coal daily to Great Lakes ports for shipment to the northwest was requested by Mr. Wentz and Mr. Willard, who said that the order must be continued until the close of navigation in order to assure a winter fuel supply for the states at the head of the lakes. The emergency fuel for the three middle western states is planned as an additional movement for the next two months, and it was said that might prevent industries, other than coal from using any open top railway equipment.

The additional movement to the middle west, it was explained, will not permit reserve coal stocks being built up by any localities in the three states, but is intended to obviate any shortage that may be felt before December 1, after which the coal now going to the northwest will be moved there.

The greatest need for coal was reported by cities in northeastern Ohio, including Cleveland, Akron and Youngstown, while many communities in southern Michigan and northern Indiana were said to have scant supplies.

FROST RESULTS IN SOME DAMAGE

A heavy frost fell Wednesday night as a result considerable damage resulted in some parts of the county.

The temperature was so low in parts of the county that a thin layer of ice was frozen where conditions were favorable.

Green corn in low ground was visibly nipped and tender plants suffered.

CHILICOTHE HAS NEW CREDIT BUREAU

Impressed with the success of the credit bureau in this city, Chillicothe merchants sometime ago planned

for a credit system similar to that in use in this city, with the result that on November 1, the new system will begin functioning in Chillicothe and Ross county, and it is expected to work wonders in the general credit rating of Chillicothe and environs.

The organization is composed of the principal merchants of Chillicothe and every individual will be given a reliable credit rating, as in this city and county, so that when a man asks a business man for credit the Bureau will have full information as to whether the man is reliable and how he is accustomed to paying his bills, if at all.

Some of the "dead beats" will find themselves without credit when the new bureau begins operations.

The Big Puzzle

There are some very contradictory conditions existing regarding the exact relations which Soviet Russia occupies toward the other nations of the world.

Following the close of the war we, of the allied and associated nations, launched a military campaign against Russia, which cost us dearly in human lives, in suffering and in treasure. So far as direct tangible benefits are concerned those military campaigns into Russia brought us nothing.

Then the whole plan underwent a change and we substituted for the active military campaign the passive hostility of the blockade. Russia was cut off from the rest of the world by the armies and navies of the allied and associated nations. Trade was forbidden and Soviet Russia became an outlaw, and strange to say, with no formal declaration of war.

Following in rapid order came other vital changes in policy. Russia was invaded by Poland and the treaty of Versailles violated by the newly born nation of the Poles. Then came Poland's peril with the Bolshevik armies at the gates of Warsaw. The difficulty which confronted the nations signatory to the Versailles treaty and league covenant when Poland—a technical violator of the treaty terms—appealed to her associate nations in the league, for help, the passing of that menace and the modification of the blockade order enabling individuals to deal with Russians on their own responsibility and now with every government among the nations warning against the peril of Russia, we have Englishmen, Frenchmen, Germans, Italians and Americans sojourning in Russia bent upon securing trade, and last, a shipment of more than a quarter of a million dollars in gold by Russia to America which even mystifies the officials.

Russia seems no more a land of mystery so far as her internal affairs are concerned than she is so far as her relations with the rest of the world. Bolshevik emissaries travel abroad with perfect freedom.

The truth seems to be that we would all have been better off regarding Russia if the people of the nations concerned had been given fuller information as to facts and consulted more about policy.

Russia appears, from the outside looking in and, doubtless, appears from the inside looking out, an officially made puzzle which now puzzles even the officials—and seriously too.

The New Arrangement

Ohio people are promised some relief from the present coal shortage—not a complete correction of bad conditions, but a make-shift, according to announcement, has been patched up, by agreement between the Inter-State Commerce Commission, the State Utilities Commission representatives and the railroad operators.

The new arrangement will not, it is officially declared, in any way interfere with the priority order given shipments of coal consigned to the northwest. That order is to remain in force until December first, as planned. A speeding up, so to speak, of transportation facilities has been promised which will enable Ohio consumers to obtain something like eight hundred more car loads of coal daily from Ohio, West Virginia and Pennsylvania mines, while the priority shipping order is in force—if this new agreement pans out as forecasted.

This will remove the menace of a fuel famine, say these men, officials and private business men, who have taken it upon themselves to arrange for the distribution of the coal supply, but will not, by any means, prove sufficient to enable any storage of coal until after December first.

Thus we go along with official interference designed, no doubt, by competent officials to benefit the people but, in reality, fitting in with the plans of the coal manipulators as snugly as one cog fits into another in the nicely adjusted and timed cog wheels of a stone crushing machine. And yet some people wonder why there is discontent with conditions.

POETRY FOR TODAY

THE HARVEST

Oh, the rasp of the reaper's blade,
Stealthily slipping, slipping,
Felling the golden grain
And the poppies red, dripping, dripping.
Like blood on a field of gold,
Glowing, glowing.

And the pea-fowl sky bedecked,
A-spreading spreading,
And the bended back of the laborer
Bent, and the sweating, sweating!

Oh, the rasp of the reaper's blade,
Stealthily slipping, slipping,
Felling the grain for the milling, milling.
And all for men and their filling, filling.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

Mrs. John Ferguson very delightfully entertained eighteen boys and girls, Wednesday afternoon, in honor of her eldest son Harry and his tenth birthday. The afternoon was happily spent in playing games and contests. Robert Beachdell won the prize in an apple contest, and Mary Helen Reveal and Forest Cramblett in a Charlie Chaplin contest.

The children matched numbered hearts for partners and marched to the dining room, where refreshments were served. A pink and white color scheme was prettily employed, the table having for its center a birthday cake with ten blazing candles.

Mrs. Ferguson was assisted in entertaining the children by her mother, Mrs. John Binns also Mrs. Earl Binns and Mrs. Thomas Groves.

A party of men attending the Georgetown Fair Thursday included Mayor V. J. Dahl, Messrs. Nolin Hathaway, Howard Hagler, Charles Allen, Joseph H. Harper, Frank M. Kennedy, Ed Fite, Walter D. Craig, Will H. Brown, M. E. Hitchcock, W. A. Tharp, Roy Hagler, Arthur Staubus, Hays Dill, Glenn Rodgers, Howard Allen, Frank L. Parrett, Earl Barnett, Henry Brownell, Roy McClure, H. J. Bliss, Earl McLean, Harley Wilkin, Hon. Frank C. Parrett, Mr. Floyd Elcheberger, of Jeffersonville, Mr. Horace Wilson of Bloomington and Mr. Edward Kendall, of Greenfield.

There was a very jolly "roast" Tuesday night at the Wright School house on the Stanton pike.

A generous supply of those "eats" popular for roast was on hand and the fun of the outdoor feast, with its blazing logs, fully enjoyed.

Those who participated were Mr. Frank Hays and family, Mr. W. R. Crisenberg and family, Mr. Ellis Bishop and family, Mr. John Dial and family, Mr. Frank Cox and family, Mr. Dave Ferneau and family, Mr. Virgil Post and family, Mr. Ray Maddox and family, Mr. Walter Robinson and family, Mrs. Floyd Dunson and son James, of Dayton, Miss Lucile Wood.

At the regular monthly meeting of the Charlotte Tuttle Sisterhood of the First Presbyterian Sunday School at the home of Mrs. J. M. Hicks on Rawling street, Wednesday evening,

all the officers were re-elected: Miss Alta Sprenger, President; Mrs. Wilbur Hyer, Vice President; Mrs. Charles Gage, Treasurer and Miss Anna Passmore, Secretary.

Music added to the pleasures of the evening, which was a social session of the class. Mrs. Thomas Groves and Mrs. J. E. Sheppard were assisting hostesses and with Mrs. Hicks, served dainty refreshments.

Twenty-five members of the class were present.

Constructive health programs for girls and women, including physical examinations, individual needs, a new attitude toward health, prevention of illness rather than correction of ills, healthful thinking, and other new emphasis, are being tried out this fall by the Y. W. C. A. Physical Education Departments in many cities. Six women from the Social Education Division of the National Board of the Y. W. C. A. in New York City, three of them physicians and the other three physical directors, are to visit cities and towns requesting their services to demonstrate possibilities by a "Health Week." In each place they work in co-operation with the staff and directors of the local Y. W. C. A., giving health talks to groups or audiences of girls, giving both physical and medical examinations, advising as to proper habits of living for people in various lines of work, urging wholesome recreation as a health producer and lecturing on sensible shoes and correct posture. In similar trips last year they found that they could not handle all the girls who came for examinations. The emphasis of the whole movement is that women should look upon good health as a necessity and not expect to be anything but one hundred per cent well.

The monthly meeting of the Phila-thea class was held Monday evening at the First Presbyterian church with almost a perfect attendance. The regular business was discussed around a picnic supper of the season's delicacies.

Mr. Eli Craig and mother, Mrs. Elizabeth Craig, of Columbus, Mrs. Stuart Craig, of Cleveland, are motor-ing guests of Mr. and Mrs. William H. Sheridan.

Mrs. Henry Deafner, of Greenfield, spent the past two days with her daughter, Mrs. Clarence Craig, and family.

Mrs. Charles Gage and Mrs. Henry Smith are spending the week end with friends in Columbus.

Mrs. Fred B. Creamer went to Hillsboro Wednesday to visit her mother, Mrs. Stephen Hickel, and will also spend a day or two in Cincinnati before returning.

Mrs. Walter D. Craig and Miss Mary Craig spent Wednesday in Delaware, visiting with Robert Craig who will probably be confined to the hospital some days longer by the knee injured in last Saturday's football game.

Shoppers from the South Solon, Bookwalter neighborhood here Wednesday included Mrs. M. Ervin, daughter, Miss Denna, Mrs. A. O. Ervin, Mr. and Mrs. Ford Ervin, Mr. and Mrs. Lohr Ervin, Mrs. S. C. Morrow, Miss Agnes Baughan.

Mrs. Lillian Howard of Columbus, and Mrs. Flora Snyder, of Detroit, Mich., were guests of Mrs. John W. Wilson a couple of days this week, enroute to the District Meeting of the Pythian Sisters in Jeffersonville Wednesday. Mrs. Wilson and daughter, Mrs. C. S. Kelley, also attended the meeting.

Mrs. Horace C. Ireland spending several days in Chillicothe, visiting Mrs. Ruth Brann.

Mrs. William Henry returned to her home in Greenfield this week, accompanied by her daughter, Mrs. Ray Maynard, who remained for a short visit.

Dr. and Mrs. Carey Persinger, Mrs. Harriet F. Woodward and Mrs. Grant Hays made a motoring trip to Columbus Wednesday.

Mrs. William Westerfield and little son, Billy, who have been spending the summer at the Millikan home, left Thursday for their home in New Orleans La.

Miss Blanche Snider returned Wednesday evening from a week's visit with her brother, Mr. Henry Snider, in Dayton.

Mrs. Floyd Dunson and son James of Dayton are visiting Mrs. Dunson's sister, Mrs. Ellis Bishop.

Mr. Charles Burnside of Tampa, Fla., is the guest of Mrs. Winnie Cawley and son, Mr. Willis Cawley.

Mrs. William DeWees returned Wednesday morning from a visit with her daughter, Mrs. Lloyd Herron at Columbus.

Mr. Henry Link has been in Akron part of this week on business.

CANNOT SCHEDULE GAME WITH COLLEGE

Arrangements for a game between Washington High School and the Muskingum College second team next Saturday have been dropped. The Muskingum coach wired Coach Moorehead that he will use all his men in this week's game and will have no second strings left at home.

Failure to schedule a game at New Concord has left the Blue and White warriors without an opponent for Saturday afternoon and it is possible they will not be able to line up a date.

Wires to surrounding schools are being kept hot to find an eleven not dated and this will be continued until game time unless a free team is located Friday.

CALLED TO OLD HOME BY DEATH OF MOTHER

The sympathy of many friends in this community goes out warmly to Mr. Frank Tilton and sister Miss Margaret Tilton, in the death of their mother, which occurred Tuesday at the home in New Vienna.

Funeral services were held in New Vienna Thursday afternoon.

Miss Tilton was with her mother for several weeks preceding her death and the son as much of that time as possible.

DEATHS

JETT

John Henry Jett, born September the second, 1920, son of Jacob and Sarah Jett, died at the home on the Circleville pike, Thursday at 4 a. m.

The burial will be made at two o'clock Friday afternoon. The bereaved parents have the sincere sympathy of their friends.

AMERICAN LEGION

Regular meeting of Paul H. Hughey Post, American Legion at Memorial Hall Thursday evening at 7:30. Eats, drinks, smokes. Every buddy asked to be present and hear letters from Paul H. Dye and Simeon D. Fess read on soldier legislation matters.

CITY PAYS OLD ACCOUNTS FOR LIGHT AND WATER

Upward of \$18,000 Paid For Street and Public Building Lights And Water Rent.

Money Available From The Bond Issue Authorized Many Weeks Ago.

The City of Washington Wednesday afternoon paid two large bills that were long overdue, and payment of which had been delayed by reason of the first bond issue authorized for meeting the obligations failing to sell and necessitating a second advertising before being sold.

To The Washington Gas & Electric Company was paid the sum of \$11,390.78 and to the Washington Water Company \$6,000.

The amount paid the power company represented the cost of street and city building lighting for more than one year, and the amount paid to the water company was for water service during the past year, the payment of which had been delayed because of a shortage of funds.

It was announced in connection with the payment of the accounts that the action of The Washington Gas & Electric Company on Monday night making a demand for payment of the account due, in no way hastened the payment, and that officials of the company should have been aware of the fact that the payment would be made this week, or without delay, the bonds for this purpose having been sold recently.

It was stated that complete arrangements for meeting the obligations had been made sometime ago, and the sale of the bonds approved in September, so that the intervening period had been taken up by preparing the bonds and turning them over.

HOME HYGIENE CLASSES GROWING

The classes in Home Hygiene are starting off this week with much interest and enthusiasm.

Monday afternoon at 2:30 at the Red Cross rooms, the Monday-Thurs-

day class started the ball rolling. The women were surprised to find how much Miss Felkner could tell them about making a bed.

Tuesday morning the first section of the Sophomore high school girls had their first lesson.

Tuesday afternoon was spent at Bloomingburg where all the high school girls take the course.

Tuesday evening a colored women's class was started.

Wednesday morning the second section of Washington H.

Thursday at 5:30 the Business Women's class will begin.

Other classes are starting each day and enrollments are being taken.

Haynes Furniture Store generously furnished the beds for Red Cross room and for Bloomingburg for demonstration and Fayette hospital supplied the high school.

Enroll now.

CITIZENSHIP SCHOOL AT H. S. AUDITORIUM

The Citizenship School for Women voters is growing weekly in both interest and attendance, thus necessitating a change of place for holding the school.

The meeting Wednesday evening was held in the High school auditorium with one hundred and fifty enthusiastic women in attendance.

Mrs. D. S. Craig, presided, and introduced the evening speakers Hon. J. D. Post, and Mr. Jarvis of Columbus.

Mr. Post in a carefully prepared speech discussed the principles of the Democratic party.

Mr. Jarvis spoke of the House Bill 629, and as there was no demonstration of the voting booth, talked on the general ballot.

Wednesday night, October 13, there will be a Republican speaker.

WOMAN IS TAKEN TO BELLEFONTAINE

Mrs. Marse Hammond, who was detained at the Fayette county infirmary because of showing mental disturbance, Wednesday was transferred to her native town of Bellefontaine and there turned over to the Sheriff of Logan county for disposition.

The woman was taken in the custody of Deputy Sheriff A. C. Nelson and Supt. Carr of the county infirmary.

SLOW DEATH

Aches, pains, nervousness, difficulty in urinating, often mean serious disorders. The world's standard remedy for kidney, liver, bladder and uric acid troubles—

GOLD MEDAL HAARLEM OIL CAPSULES

bring quick relief and often ward off deadly diseases. Known as the national remedy of Holland for more than 200 years. All druggists, in three sizes. Look for the name Gold Medal on every box and accept no imitation.

"Gets-It" Wonder Corn Peeler

Just as Good for Calluses. Money Back if it Fails.

Don't be hoaxed through life by a pecky corn or callus. Don't let a corn tell you when to sit down. Don't wear shoes too large for you because a corn says you must. Get rid of the darned thing.

"Peel the Whole Corn Right Off and be Rid of it."

It's a revelation to corn sufferers, the wonderful way that "Gets-It" banishes corns. Spend two minutes—that's all—to apply 2 or 3 drops to any corn or callus. The pain will stop instantly. In a few seconds the corn dries right up. Soon it has loosened so you can peel it off in one complete piece, root and all. "Gets-It" is sold by all druggists; money back on request, costs but a trifle. Mfg. by E. Lawrence & Co., Chicago.

Sold in Washington C. H. and recommended as the world's best remedy by Brown's Drug Store.

JOE SERRA SUBS IS OUTPOINTED

Bobby Devore One of Classiest Pieces of Ring Machinery Ever Appearing Here, Opinion of Fans at Ringside

Three pairs of scrappers put on the show at the Armory Wednesday evening before a fair sized crowd. Sammy Terry vs Charley Scott, three rounds, draw.

Kid Lawry vs Phil Barrett, six rounds, draw.

Bobby Devore vs Joe Serra, ten rounds, Devore won on points.

Bobby Devore, weight exactly 127 pounds, and hailing from Toledo, cleverly outpointed and outfought Joe Serra, Columbus scrapper, weighing 149 pounds, in the main set to of a three bout show.

Serra, who will be remembered as the fighter who was called for "stalling" by Referee Palmer in his last appearance here, substituted for Webb, who was said to have sustained a broken hand in Akron.

Devore showed classy ring action and from the moment he stepped inside the ropes the crowd was with him to a man.

For the first five rounds Serra was hardly able to touch his youthful opponent, but in the sixth and seventh stanzas he delivered a succession of kidney blows that weakened Devore.

Fans claimed that Serra fouled Devore below the belt in the eighth as they broke from a clinch and the pain was clearly visible on Devore's face but he came back strong and finished the ninth and tenth rounds in good fashion.

Serra swung for a knockout several times but was easily eluded by the shadow-like Devore. The Columbus man tried right uppercuts for Devore's chin in the ninth in clinches but could not connect.

In the semi-final two boys who evidently had never been in the ring more than a dozen times before went six one-sided rounds. Kid Lawry, a youth with a cloud of shining red hair took a terrific beating from Phil Barrett, a fellow townsman from Columbus.

Lawry was barely able to finish and escaped a knockout because of the fact that Barrett was so weak himself that he could not produce the punch.

Two small colored boys, Sammy Terry and Charley Scott, pumeled three two minute rounds as the evening's starting and fought for a purse made up by the fans who sat beside the ring and who pitched their small change on the canvas.

TIGERS AND DERBY IN GREAT SERIES

Both Teams Have Won a game With A Shutout and a Big Series Has Been Arranged to Decide Eupremacy.

After winning one game each in a three game series the Jeffersonville Tigers and the Derby Athletics are to play the first of a three-game series Sunday afternoon on the Jeffersonville diamond.

In the first game this season between the two teams Derby connected the runs in a 2 to 0 score while on last Sunday on the Derby field Hieronemus outpitched the clever Hunter and won 1 to 0 in what Derby fans claimed was the greatest game ever played on the Derby diamond.

After Jeffersonville evened up by taking the game Sunday arrangements were immediately made for the three-game series. The opposing hurlers will be Hieronemus and Hunter.

MOST OF CORN CROP WILL BE FED HERE

The bulk of Fayette county's huge corn crop will be fed to hogs and cattle instead of sold in the ear for shipment, according to present indications.

Thousands of stock hogs are being shipped into this county in addition to the 100,000 already in the county.

Farmers are of the opinion that, since treatment to prevent cholera has been very successful, there is a great deal more money in feeding their corn to hogs than selling in the ear. This is largely responsible for the fact that Fayette county has more hogs than any other county in Ohio.

Winding up the season with a three-game series with Derby, Jeffersonville meets 'em on the home lot Sunday.
